

We are seeking a dynamic **Chief Innovation & Impact Officer (CIO)** to lead Charter For Compassion (CFC) in Pakistan, spearheading innovation strategies that will revolutionize the landscape of social change. As the embodiment of innovation, who will combine the best practices from industry-leading companies to drive groundbreaking initiatives that will shape the future of our organization and the communities we serve.

In this eminent role, he/she will be the catalyst of transformation, identifying and implementing cutting-edge solutions, technologies, and partnerships to tackle Pakistan's most pressing social challenges.

While this role does allow for a remote engagement, a minimum of 30 days in a calendar year will be required working in Pakistan to lead current projects and continuously train the local teams.

Position Title: Chief Innovation & Impact Officer (CIO)

Key Domains of Responsibilities;

- Craft and lead an innovation strategy that positions us at the forefront of social change in Pakistan.
- Drive Technological Innovation
- Establish Strategic Partnerships
- Foster a Culture of Innovation
- Measure and Evaluate the Impact
- Engage in Public Speaking and Thought Leadership

Requirements and Skills;

- A minimum of 15 years of exceptional leadership experience driving innovation strategies.
- Strong analytical and problem-solving skills, with an unwavering commitment to data-driven decision-making and tangible results.
- Deep understanding of the social challenges in Pakistan, coupled with an unwavering passion for igniting social change at scale.

Master's degree or higher in a relevant field such as social innovation, global strategy, business administration, or technology is preferred.
