

Graphic Designer Required

Charter for Compassion Pakistan (CfC) was launched in February 2011 as a local initiative inspired by the Charter for Compassion International, a global program by a multi-faith, multi national council of thinkers and leaders led by Karen Armstrong, a celebrated author.

Charter for Compassion Pakistan (CfC) aims to create a vibrant, peaceful, and compassionate society through the creation of innovative programs, education, and training on compassionate thought and action. Our programs, tools, and activities allow our Stakeholders and Partners the opportunity to explore the value of collaboration, empathy, and compassion within their own respective entities, and institutionalize these positive changes across all sections of society.
